COVID-19 WAIVER & RELEASE OF LIABILITY

I/we, _____ & _____ have elected to voluntarily stay at Copper Mountain RV Park, LLC in Tacna, Arizona (the “Park”).

I/we understand that there is an ongoing viral pandemic that is causing people, if infected, to become seriously ill or even die and that the Covid-19 or Corona Virus (the “Virus”) can be transmitted to people by being in proximity to other people with the infection, even if they do not have signs of an infection. It can also be transmitted by touching things that are contaminated with the virus.

I/we do hereby affirm and acknowledge that staying at the Park, where there are other people, can now be dangerous because of the Virus and could even cause serious bodily injury and may even result in my death. Although Copper Mountain RV Park is taking measures to help prevent the spread of the Virus, it cannot ensure my safety against the Virus. I/we promise to follow all Park guidelines pertaining to the Virus (including, but not limited to wearing masks if required by the Park) and understand I/we will have to leave the Park if we do not. I/we also agree to either leave the Park OR quarantine ourselves if I/we either come into contact with a person or persons who test positive for the Virus or if I/we contract the Virus while staying at the Park.

I/we do hereby specifically assume any and all risk of death and/or injury, of any type – including personal, bodily injury, foreseen or unforeseen, associated with or resulting from becoming infected with the Virus. There are many RV parks in the area and I chose to stay at Copper Mountain RV Park despite the fact that it requires me to release it/them from any liability for if I/we fall ill or die because of the Virus. As such:

I/we do hereby release and hold harmless Copper Mountain RV Park, LLC, its members, employees, officers, directors, volunteers, and specifically, John and Cristyn Weil, from any and all actions, causes of action, claims, demands, damages and/or compensation whatsoever, that I, my estate, heirs, survivors, executors or assigns may have, whether or not caused by accident, negligence or otherwise.

By entering into this agreement, I am not relying on any oral or written statement other than what is set forth in this agreement. I further agree that if a dispute arises pertaining to this agreement, the laws of the State of Arizona shall apply and that the appropriate venue for redress is the County of Yuma, State of Arizona.
